Praise is to Allah alone
Prayers and greetings to those who have
no prophets afterwards
Really Allah made it easy for me to meet
the director of Qiblat and some of its
employees. I am very happy with the
activities and the works I have seen there.
I thank them for their efforts - and i pray
Allah to give luck and success.
Prayers and greetings to our prophet,
family and friends all.

Recommendation
Former Ambassador Of Saudi Arabia of Indonesia
Professor Musthafa Bin Ibrahim Mubarak

Thank God, I was very happy when I visited the Qiblat foundation office in Cianjur.

I am very happy about what we have seen from various activities in carrying out da'wah and spreading the true Islamic culture and training the imams.

I pray Allah that the administrators of this foundation would continue to be steadfast in their steps and always guide them for the benefit of Indonesian people.

And as members of the embassy we are ready to support.

Thank you very much, especially to Shaykh Shalih Ar Rajhi who prepared this visit and Syaikh Khalid Al Mas'ud who welcomed us.

May Allah be with them all.
